

Adventures begin at this historic Pt. Reyes store.

Explore a bit of West Marin history--and find something wonderful to take home with you. The historical Cabaline building has been standing since the turn of the 20th Century. Over the years we have been visited by people who remembered when it was being built, people who remembered sitting around the wood stove in back when it was the general store, and people who performed in plays when it was the community center, but it's been the Cabaline Country Emporium for the last 40 years.

The beauty of the Point Reyes National Seashore draws visitors from all over the world, making Point Reyes Station a small town with a unique perspective. As the outfitter for your global adventure, our offerings are also unique: a little bit of everything, and a lot of some things: quality clothing, shoes, socks, belts, hats, blankets, and jewelry. We carry many products for dogs, cats and horses. Please say hi to our dogs and we'll give you a treat for your dog!
